Loch Sheldrake Fire Department’s
90th Anniversary

AUGUST 9-12, 2012
Loch Sheldrake, New York
August 9, 2012

Welcome...

To our community and to a look back into our 90 years of service to our neighbors, friends and family as we attempt to show a glimpse of this in our Anniversary Commemorative Journal.

On behalf of our 90th Anniversary Chair Robert Kachelreiss and Vice-Chair John Bullock, we first would like to thank you for your continued support for this event and the year round efforts in order for you to receive fire and rescue services for your safety and well-being.

This event was a tremendous endeavor for our department and without the financial support of our local businesses and contributors we would not have been able to undertake this celebration.

We need to thank the Town of Fallsburg and the Town Board along with its Police Department, the Sullivan County Sheriff’s Department, and the N.Y. State Police for their support and assistance to allow us to make the events not only a success but also safe. We thank our neighboring fire departments and our brother/sister firefighters from the Tappan Fire Department and Mechanicstown Engine & Chemical Co. that provided the help to “pull it off”. We would like to thank Michael Gold of the Corporate Image Photo Studio for the department photos and his other services, and to Liberty Press for their professional expertise in producing this journal.

On behalf of our Department Chief, Kirk Irwin; our President, Lori Smith; the Board of Fire Commissioners and the officers and members of the Loch Sheldrake Fire Department we thank you and wish you a safe and fun experience here at our 90th Anniversary Celebration.

Firematically yours,

Stuart Wizwer

Dear Friends:

It is a pleasure to send greetings to everyone gathered for the 90th Anniversary Community Celebration of the Loch Sheldrake Fire Department.

Every day, we witness the courageous response of volunteer firefighters, and the citizens of the Empire State gratefully acknowledge their outstanding sense of civic duty. Since 1922, the men and women affiliated with the Loch Sheldrake Fire Department have demonstrated a commitment to ensuring the safety of the people living and working in Loch Sheldrake and the surrounding areas of Sullivan County and the Catskills.

I am pleased to acknowledge your community’s fitting tribute to this important milestone anniversary. With the utmost dedication, the local heroes of the fire service continue to place themselves in harm’s way in order to protect the lives and property of their friends and neighbors, and all those who visit this beautiful region of our state.

On behalf of all New Yorkers, I respectfully commend Chief Kirk Irwin, Sr. and the officers of the LSFD for their leadership and their willingness to undertake additional responsibilities, and for the support and fellowship they provide to each of the brave members of this Fire Department, who everyday heroically uphold the noble tradition of firefighting.

With warmest regards, and best wishes for an enjoyable celebration.

Sincerely,

ANDREW M. CUOMO

Dear Friends:

Please accept my warmest greetings as the Loch Sheldrake Fire Department gathers to celebrate their 90th Anniversary. I am honored to recognize the exemplary work of the Loch Sheldrake Fire Department and all of the courageous firefighters on this momentous occasion.

Established in 1922, the Loch Sheldrake Fire Department is dedicated to the safety of its residents and continuing the tradition of protecting its citizens from danger. The members of the Loch Sheldrake Fire Department bravely strive to protect all community members and as a result, New York State is a safer, more secure place to live and work. Firefighters are an integral part of every community and especially in Loch Sheldrake, where the Loch Sheldrake Firefighters have been the backbone of the community. I applaud the bravery, hard work, and resilience that the firefighters exemplify and commend them on their commitment to uphold the values of the community.

I would like to take this opportunity to congratulate all current and past members of the Loch Sheldrake Fire Department. Their heroic efforts are certainly deserving of the recognition and distinction they will receive today. I applaud the firefighters of the Loch Sheldrake Fire Department for their bravery and unwavering service to our communities and all of New York State.

Again, congratulations and thank you for your hard work and dedication on behalf of Loch Sheldrake and New Yorkers everywhere. I know that the Loch Sheldrake Fire Department and its members will continue to serve the people of New York for many years to come. Best wishes for a wonderful event.

Sincerely,

Charles E. Schumer
United States Senator

Dear Friends,

I am pleased to have the opportunity to send greetings to each of you attending the 90th Anniversary Celebration hosted by the Loch Sheldrake Fire Department. I am especially pleased to have this opportunity to honor all of the firefighters here today.

I commend the Loch Sheldrake Fire Department for its outstanding commitment to community service and am grateful to the essential service each of you provides to protect families, homes and places of business in Loch Sheldrake. Your work and dedication demonstrates the positive influence individuals can have on their community. You serve not only as protectors, but also as role models.

Please accept my best wishes for a wonderful celebration and my hope for many more thriving years.

Sincerely yours,

Kirsten E. Gillibrand

Dear Friends,

I am delighted to offer my greetings and warm regards as you gather today and through this weekend to celebrate and mark the 90th Anniversary of the Loch Sheldrake Fire Department. It is with great pleasure I add my voice to those honoring and congratulating the officers and members of the Department as you commemorate this significant milestone.

Over the course of the past 90 years, the technology, training, and equipment for fire departments have changed dramatically. While many aspects of firefighting and emergency response have changed and continue to evolve, the critical importance of the Loch Sheldrake Fire Department to our local community has not lessened. In addition, the unfailing commitment of the dedicated volunteers who answer emergency calls at all times has remained a constant and essential feature over these many decades. Loch Sheldrake Fire Department has an impressive legacy of service, and all of you continue to build upon and add to that rich history. I am deeply grateful and appreciative for the countless hours, sacrifices, and hard work all of you generously offer in assisting your community.

Please accept my best wishes for a memorable and enjoyable celebration along with my sincere thanks for continuing to answer the calls for assistance in our area.

Sincerely,

Maurice D. Hinchey

Dear Chief Irwin:

It is always nice to learn of good things happening in our community.

I would like to extend my heartiest congratulations to the Loch Sheldrake Fire Department, and all of its members, past and present, upon celebrating 90 years of fighting fires. The brave firefighters who have served with the Loch Sheldrake Fire Department are to be commended for their dedication and service to protecting the community from the dangers of fire. Please accept my most sincere thanks and appreciation to the volunteers for continuing to keep the community safe, 24 hours a day, for 365 days a year, for the past 90 years.

Best wishes for an enjoyable celebration, and for another 90 years of continued service.

Sincerely,

Dear Chief Irwin,

I am greatly honored to write this letter of congratulations to the Loch Sheldrake Fire Department for their 90 years of service to our community.

Since 1922 the brave men and women who volunteer their time to the Loch Sheldrake Fire Department have been an integral part of our safety and well-being, risking their lives to assist a neighbor, family member or friend.

From the founders who had the strength and fortitude to protect our community from its inception to those individuals today who help uphold that commitment, I applaud you.

Dear Officers and Members of the Loch Sheldrake Fire Department,

Congratulations to your fire company on your 90th Anniversary. What an impressive milestone to reach.

As volunteers, your company provides a professional service to your community that cannot be duplicated.

Neighbors serving neighbors is a principal that we should all live by and the example set by the Loch Sheldrake Fire Department is one that we can all look to for inspiration in our day to day lives. There was not a better example than the dedication shown at the Grandview Palace fire this past spring.

Your department has earned the gratitude and respect of our community time and time again and it is our honor to congratulate you on this achievement.

Very truly yours,

Steven Vegliante
Supervisor

**Highlights in the History of the Loch Sheldrake Fire District**

The Loch Sheldrake Fire Company traces its roots back to 1922, when a committee was selected to start a fire company.

1922
The first recorded minutes of the new fire company, were on September 11, 1922. These records, and those that followed, tell the story of the early years of the Loch Sheldrake Fire District. Beginning with its first meeting, attended by five people and held at the home of J. Morgan Devine, the story unfolds.

The first tasks included raising money for fire hose and for the materials that would be required to construct a firehouse. With dues at 15 cents per month, the commissioners were given the task of securing the funds required to pay off financial obligations and secure the future of the young company.

Later that same month, on September 29, 1922, a motion was passed to have the Town Clerk call for a special election in order to raise $3600 for equipment. The vote was held on November 21, 1922, but the proposition was rejected by a vote of 31 to 21. The very next day, commissioners requested the Town Supervisor levy and collect a tax of $500 for the year. The remainder of the money had to be raised by donations.

1923
The Company collected $950 plus $169.80 from two dances that were held by the district. Finally, in 1923, a motion was passed to raise the funds required to run the Fire District through a tax levy. To this day, a written budget is submitted to the town annually and funding for the district is done by taxes levied on all the residents served by the Fire Company.

1926
Built on private property, the first firehouse did not get its siren until March 10, 1926. The siren was ordered from George Fraley at a cost of $400. Three hundred dollars was borrowed from the now established Fire Company and a note was given for the balance.

1932
The Company purchased its first fire truck, a Sandford.

1934
John Bullock Sr., a member of the Loch Sheldrake Fire Company, became commissioner for five years.

1935
May 2, 1935 the Commissioners approved the first use of a fire truck in a parade in Middletown, NY.

1940
The commissioners raised $2,500 to purchase the lot that the Firehouse was on. But those years brought their own challenges. Like so many others, the Loch Sheldrake Fire Company was plagued with shortages. Rationing of gas, tires and tubes weighed heavy on the district, especially since the old 1932 Sanford truck guzzled too much fuel.

1945
On December 4, 1945, by a vote of 12 to 0, approval was given to purchase a ladder truck. Due to the war, it wasn’t until 1947 that an AM LaFrance truck with a 60 foot ladder was purchased for $20,000. The truck was delivered after the war ended and was housed in Russell’s Garage, where they had to re-enforce the floor to accommodate its weight.

1949
The Loch Sheldrake School House on State Route 52 was purchased as the new Firehouse. The roof was raised and truck bays were added downstairs. They now had a meeting room and a kitchen upstairs.

1953
As the district grew the need for additional equipment increased and two Seagrave Pumpers on GMC chassis were purchased.
1962
The Company was beginning to outgrow its current home and planning began to enlarge the Firehouse.

1966
A two day search for a missing six year old boy has a successful ending. Again, to meet the growing needs of the community, a Ward LaFrance Diesel Pumper was purchased.

1967
August 22, 1967, a professional Golf Tournament was held as a fundraiser. At the forty second Anniversary dinner John Bullock, Sr. retired as Chief after forty continuous years of service.

1969
On July 24, 1969, the Company purchased its first ambulance, a 1965 M/M Ambulance for $5,500. In that same year, an addition was built onto the firehouse to house the ambulance.

1973
Thirteen acres on Route 52 in Loch Sheldrake are purchased and become the Loch Sheldrake Fireman's Park.

1974
In April the fire company assisted with the filming of the motion picture "Lenny".

1975
A unique occurrence, Jim Magee Sr. Fire Police Chief and his two sons, Jim Magee Jr., Fire Chief, and Robert Magee Sr., 1st Assistant Chief, all wore “white hats” at the same time.

1985
The fire company moved into the present day building at 1280, State Route 52, Loch Sheldrake.

1987
Past Chief, Richard Comfort, was injured in a building collapse.

1993
The Loch Sheldrake Fire Company hosted the first of several annual county parades. Shawn Edwards was recognized as “Fireman of the Year” for his rescue at an MVA at Morningside Four Corners.

1999

2001
September was to be the third county parade hosted by the LSFD. Because of the recent tragedy of 9/11 the Fire Department decided to dedicate the parade as a memorial to the victims.

2006
A 35,000-gallon Mac Tanker was acquired with a Federal Grant.

2007
A 70-foot Sutphen Platform (quint) was purchased.

2012
Robert Kachelreiss received the award of “Fireman of the Year” for the rescue of a brother firefighter at a fire in Woodbourne in 2011. He also received “Honorable Mention” at the annual Hudson Valley Volunteer Fireman’s Association convention for the same rescue. The former Brown’s Hotel burned in April. It was the largest fire to date in the history of the Loch Sheldrake Fire Company. Forty-six fire companies provided mutual aid.
